

## Works of Hesiod and the Homeric Hymns (New edition)

Filesize: 1.28 MB

### **Reviews**

*Absolutely essential study book. It normally fails to price excessive. I realized this ebook from my dad and i encouraged this publication to find out.*

The University of Chicago Press. Paperback. Book Condition: new. BRAND NEW, Works of Hesiod and the Homeric Hymns (New edition), Daryl Hine, Daryl Hine, In "Works of Hesiod and the Homeric Hymns", highly acclaimed poet and translator Daryl Hine brings new life to the words of Hesiod and the world of Archaic Greece. Unlike most available prose renderings of their works, Hine's illuminating translations present these classics as they originally appeared, in verse. This volume includes Hesiod's "Works and Days" and "Theogony", two of the oldest non-Homeric poems to survive. "Works and Days" is filled with cautionary tales and advice for managing harvests and maintaining a good work ethic. "Theogony" is the earliest comprehensive account of classical mythology - including the names and genealogies of the gods and monsters of Olympus, the sea, and the underworld. Hine captures Hesiod's gritty and persuasive voice, which provides a rare glimpse into the everyday life of ordinary people in the eighth century BCE. In contrast, the "Homeric Hymns" depict aristocratic life in voices whose polished tones reveal little of the narrators' personalities. These hymns (so named because they address the deities in short invocations at the beginning and end of each) are among the earliest examples of Greek epyllia, or short stories in the epic manner.
