Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.How To Get On The 1st Page Of Google in under 5 minutes - is a complete system of how to get your business pages on to the top of the 1st Page of Google search results and All the other search engines in under five minutes. Today, due to the increased amount of competition for attention on the Internet, you need to know the latest information about how to get your web sites found by the search engines so that you can compete. The good news is that in the most recent changes to their Algorithm - the mathematical formula that Google uses to prioritize search results - there only a few things you need to do to reach 90 of these requirements and your competition is probably not doing them. When you realize how easy it is to get your website listed on the first page of Google, you will probably do like this author and create dozens more web sites because the more times you get found on the first page of search engine results and for more and more keyword phrases, the more your product or service will be purchased by those visitors. The author will show you how to create many dozens or even hundreds of urls that you can setup at no cost and multiply your first page results many times over, allowing you to dominate the Internet for your product, brand, or activity. Included in this book are several websites that you will see are on the first page of Google and that will help you do the same by simply following the training videos and other content contained there. The...
