West Virginia University Press. Paperback / softback. Book Condition: new. BRAND NEW, Witches, Ghost and Signs: Folklore of the Southern Appalachians (2nd), Patrick Gainer, Judy Prozzillo Byers, West Virginia University Press is pleased to bring back into print Witches, Ghosts, and Signs, the 1975 classic by the late Patrick W. Gainer, renowned West Virginia folklorist and West Virginia University English professor from 1946 through 1972. His key to the pronunciation and vocabulary of indigenous populations makes audible the unique speech patterns of mountain people and provides a linguistic key to today's regional dialects. Gainer also relates social events of years gone by, such as molasses boiling, serenades for newlyweds, and the busybody's favorite: telephone party lines. This carefully collected and preserved collection of folklore is a...
