Hay House. No binding. Book Condition: New. Audio CD. 1 pages. Dimensions: 5.7in. x 4.9in. x 0.5in. Decisions, actions, and beliefs from our past can have a powerful influence on our present life. This powerful audiocassette discusses how to release the effects of trauma from childhood and past life, as well as spiritual ways to undo the effect of self-destructive behavior such as cigarette smoking or drug taking. Doreen discusses time collapse methods, which allow listeners to release their cellular memories of past-life pain and traumas. She talks about how vows of poverty, celibacy, and suffering made in prior lives can follow us into this life. Doreen also guides listeners through the severance of such vows. When traditional talking therapy fails to yield desirable results, past-life issues may be the culprit. This tape does a deep cleansing of multiple issues from multiple past lives. It also heals childhood and early adulthood wounds from this life, including sexual traumas, addictions, relationship hurts, and business challenges. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Audio CD.
