## Gypsy Dream Dictionary (2nd edition)

By Raymond Buckland

Llewellyn Publications,U.S. Paperback. Book Condition: new. BRAND NEW, Gypsy Dream Dictionary (2nd edition), Raymond Buckland, Everybody dreams. Some people remember dreams more readily than others, but everyone dreams. Chances are you remember a recent one. And there are probably several other past dreams that stick in your mind, too. But are dreams just the mind at play? No. They have meaning. The problem is, the meaning is in the symbols found in the dream. To fully understand the dream you have to understand its symbols. And one of the best ways to do this is by using Ray Buckland's "Gypsy Dream Dictionary " (an expanded version of "Secrets of Gypsy Dream Reading"). "The meanings of over 850 different symbols that commonly appear in dreams are given. Did you dream of a wide, straight road? That means things will come to you easily. Did you dream of a grasshopper? That is a bad sign, indicating financial losses to come. Did you dream of yourself wielding an axe? That means you are respected for your position. You will also learn how to pick the important symbols from your dreams in order to interpret them. If this book just gave the meanings of dreams,...
