### CARBON JARGON

Think Publishing Limited, United Kingdom, 2008. Paperback. Book Condition: New. 144 pages. Multiple copies of this title available. Making sense of the science of climate change. Carbon footprints, carbon neutral, carbon offsetting and carbon credits - just a few examples of a new wave of terminology now commonly used when addressing the world's current environmental concerns. The question is, do you really know what they mean? If the answer is "no", then a recent survey by the British Market Research...
