Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication I have got read through in my very own lifestyle and might be the greatest book for possibly.

ASSHOLES: A THEORY

N. Brealey Publishing, 2013. Taschenbuch. Book Condition: Neu. Neu Neuware, Importqualität, auf Lager, Versand per Büchersendung - THE DEFINING QUESTION OF MODERN TIMES ANSWERED What is it for someone to be an asshole Although most of us are forced to deal with such people every day, few of us could easily say exactly what an asshole is. And as prevalent as they are, no one has offered a sustained analytical treatment of the subject. Assholes are arguably part of the human social condition, so the topic is perhaps the special provenance of philosophers. In fact, Rousseau, Kant, Hegel and Sartre have all grappled with asshole-related questions of moral status. In the spirit of the bestselling On Bullshit, philosopher Aaron James tackles the subject of assholes in a philosophical - yet also humorous, entertaining and accessible - inquiry into what makes a person an asshole. The book also explores different asshole types, the roles gender, nurture, and nature play, and how best to deal with assholes in daily life. A pop-philosophy book with great potential to crossover into the gift book and humor genres, this will be an engaging mix of erudite discussion about an indelicate subject matter that naturally brings a comic flavor to the text. The bestselling success of Robert Sutton's The No Asshole Rule has made clear that people are interested in the subject. While Sutton tackles the problem from a management angle, James brings us into a broader realm of philosophical analysis. 221 pp. Englisch.
