Reviews

This is actually the best book i actually have go through right up until now. It generally will not price an excessive amount of. I discovered this book from my dad and i suggested this book to understand.

(Norma Carroll)

TEXT BOOK OF SWEDISH HOME SLOYD

Toolemera Press, United States, 2013. Paperback. Book Condition: New. 279 x 210 mm. Language: English . Brand New Book ***** Print on Demand *****.Anna Petersson Berg, instructor of Sloyd classes in Sweden during the early years of the 20th century, left her native country to bring the crafts of Swedish Holeseam and Fringing, finishing techniques for woven textiles, as well as traditional Swedish knitting styles, to the public schools of America. Sloyd, as defined by Otto Salomon, the founder of the Sloyd theory of education, came to mean the formalized system of teaching crafts as part of an educational process. The derivation of sloyd is slog, an early Scandinavian word for craft. As in most rural households, those of Sweden continued a craft tradition that included spinning, weaving and the making of a wide variety of small wooden items for personal use. The Toolemera Press reprints classic books on early crafts, trades and industries from our personal library.
