Createspace, United States, 2011. Paperback. Book Condition: New. Large Print. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****. This book combines three previously published titles: 1. PreAdamic Creation-Genesis Gap 2. The Genesis Gap - Ignored and Misunderstood 3. The Genesis Gap of Creationism Revisited This resource is comprehensive from the biblical perspective, on the subject of an earth created by God that predates the one that was later created to be Adam's domain. This teaching which is derived from many passages of both the Old and New Testaments is one of ongoing controversy however; many who study the Holy Bible are very interested in knowing what it actually reveals in regard to God's creation and the age of the earth and universe. In many cases, those who disagree with this well-substantiated doctrine have not actually heard or read a detailed presentation of it or they are mistaken regarding the basic aspects of it (i.e. it is confused with the day-age theory, it is thought to be a compromise of the scriptures to compete with the theory of evolution or that it is scripturally out-of-context). This book resource covers all important aspects of this intriguing Bible subject, with each point of truth being solidly confirmed by the Holy Scriptures. The attentive reader will find that scriptural-backing for each aspect of the teaching is not taken out-of-context but agrees completely with what God's Word actually reveals in regard to His awesome creation. SECTION ONE: Title: Pre-Adamic Creation-Genesis Gap Subtitle: The Ruin-Reconstruction Biblical Doctrine CONTENTS: CHAPTER ONE: What is the Genesis Gap? CHAPTER TWO: Where Did the Dinosaurs Go - Biblically Speaking? (Did Noah Have Them On The Ark?) CHAPTER THREE: Old and Young Earth Creationist Views (Which View Holds 100-Percent Correct Interpretation?) CHAPTER...
