Poetry Wales Press, United Kingdom, 2003. Paperback. Book Condition: New. New.. 206 x 124 mm. Language: English . Brand New Book. Love in all its many guises is the subject of Nicholas Murray s collection of short fiction. Two distinct themes are prevalent throughout the pieces. The first is a humorous take on the classic and convoluted story of Tristan and Iseult, the paradigm of medieval love stories and template for so many other literary relationships. The second is the story of Felix, growing up in postwar Liverpool, moving from boy to man and learning the hard way about love. In between are narratives on love that stretch across Italy and Greece, and through Croydon and tabloid newspapers.
