Could you be losing your mind? Are you becoming forgetful? If you feel this way, there may be a narcissist at work in your life. The word narcissism is being bandied about like a trend right now and it is getting confusing for those of us that actually have a pathological narcissist in our lives. Narcissism is not just another word for arrogant or conceited. You are not a narcissist because you post a lot of things on the web or take a lot of selfies .
