Excerpt from A White King in East Africa: The Remarkable Adventures of John Boyes, Trader and Soldier of Fortune, Who Became King of the Savage Wa-Kikuyu The following pages describe a life of adventure in the more remote parts of Africa - adventures such as the explorer and sportsmen do not generally encounter. The man to whom the episodes narrated in this book refer has been personally known to me for ten years. We have hunted big game and explored together many a time in the African jungle; and as it is principally at my instigation that he has put the following account of his experiences into writing, I think it is due to him and to the public that I should make known my responsibility in the matter. It seemed to me that the adventures John Boyes underwent were something quite out of the common; in these matter-of-fact days they may be said to be almost unique.
