She can t refuse, but what if the creatures pose a danger to the country she swore to protect?As guardian of the shifter territory, Calum McGregor wields the power of life and death over his people. When a pretty human female arrives in their wilderness town, he and his littermate become increasingly concerned. Not only is the little female hiding something, but she is far more appealing than any human should be.While investigating the shifters, Victoria begins to fall in love with the werecat brothers and the town as well. For the first time in her life, she might have a real home. Her hopes are crushed when a deadly enemy follows her from the city, and the shifters discover she knows their secret. Now nobody is safe-least of all Victoria. HOUR OF THE LION was simply amazing. Hot hunky shifter men, a strong and sassy heroine, a gripping story, and some oh so lovely menage action are just the tip of the iceberg in this phenomenal read!
