

## Photographer's Guide to the Fujifilm X10 (Black and White Edition)

By Alexander S White

White Knight Press, United States, 2012. Paperback. Book Condition: New. 216 x 137 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. This is the black-and-white edition of Photographer's Guide to the Fujifilm X10. This edition of the book contains all of the same content as the original, full-color edition; the only difference is that all of the photographs are reproduced in grayscale (black and white) rather than in color, so that the book can be made available at a lower cost. The text of the book discusses the images as if they were in color; the color photographs will be made available in an electronic version of the book to any purchaser of the black-and-white edition of the book upon request to the publisher. This 338-page book, a complete guide to the operation and features of the Fujifilm X10 digital camera, is a follow-up to the author's earlier guides to advanced compact digital cameras, including the Fujifilm X100 as well as models by Leica, Panasonic, Canon, and Nikon. The new book explains all operations, features, menus, and controls of the Fujifilm X10 camera in clear language, providing guidance not only about how to accomplish things...
