

Protecting Your Assets: A Guide to Security (Paperback)

By Michael T Benoit

Outskirts Press, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. I hate this crime doesn't pay stuff. Crime in the United States is perhaps one of the biggest businesses in the world today. Over the last 25 years, I have seen too many businesses become victims of crime. I want to help businesses become informed about their risks and how to reduce them. This book will provide the knowledge necessary for business owners and managers to make good, informed choices and take action in securing their businesses. The right security investment will pay for itself by protecting your assets, your employees, and your customers. A business related burglary occurs every 14 seconds in this country! Businesses are under siege because criminals have found that most businesses are perfect targets for their crimes. Some of the factors that put businesses at risk include: -Being open early or late in the day, -Having only one employee on duty at a time, -Having valuable products sitting on the shelves, -Having expensive equipment easily accessible, -Having too much money in the cash drawer, and/or -Not having a reliable security system. While you read the...
