Xlibris Corporation. Paperback. Book Condition: New. Paperback. 280 pages. Dimensions: 8.8in. x 5.9in. x 0.7in. Education is one of the pillars of a progressive society. It is through education that people get jobs to put food on their table. It is also how people earn their degrees, titles, and become renowned experts in different fields, gaining respect and trust from the people around them. An educated constituency, therefore, shapes a nation. Yet we will never reach such a high stage of development if we don't go through the basics. Learn the value of basic education through *Mommy, I Can...*, an educational material prepared by the Taylor Learning Resource Center, Inc. Intended to teach kids the basic reading, linguistic, and mathematical skills, *Mommy, I Can...* aims to develop their skills and prepares them for their early education. This research-based educational guide allows parents to participate in their kids academic advancement training. Highly recommended to mothers and teachers alike, it includes an array of exercises and tests which boosts children's self-esteem, increases their eagerness to learn, and improves their scholastic performance. From name writing to word analysis, this material proves the significance of early education in every person's developmental stage, for this serves as the foundation for future educational endeavors. Children go to pre-school only once. It is then necessary that his guardians and teachers provide him with the best tools to aid his education and to propel his mental and emotional maturity. As you prepare your child for his education, show him the fun way to learn. Give him *Mommy, I Can...* and be amazed with the results! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
