Made in Scotland is the Biography of a Refugee in the UK who was diagnosed in 2008 with Paranoid Schizophrenia, who is now living in Scotland from an African descent. This book talks about the place, time and country of birth of Simon Oghenejiro Algood.; his family background and growing up as a child. It talks about his primary, secondary and University education and the history of his mental illness, how it started and his relocation to the UK. In this book you will find out more about Schizophrenia, its signs, symptoms and causes. As you read on this book describes the author's stages in life as a mental health patient and relationship breakdown. It shows the essence of being in a family and a healthy relationship. It talks about the most difficult part of the author's life. He has taken time to write this book and this is the best way he could explain in detail the difficulties in his life and how he overcame them in the end. The author has used a pseudonym for every name in this book to protect the privacy of the individuals and also the locations have been changed. Made in Scotland is a book the author would recommend to everyone especially those with mental health issues, refugees or asylum seekers and mental health professionals. It's a book that will help you build confidence, be independent and teach you how to stay strong and to be in the right relationship and believe in GOD almighty. This is a true life story which the author is confidently telling you with honesty. This is a book that will inspire you to become what you want...
