You came to the right place. This book is written from the standpoint of rapid language acquisition. There is a science behind learning the Spanish language and within this book holds the master key to rapid language learning. Whether you are in Mexico City, Barcelona, or Los Angeles this book can be your best friend and have you speaking, reading, and writing the language faster than you ever thought possible! Traveling around the world has forced me to learn new languages quickly. If you are reading this right now, then it probably means that you need to learn Spanish in a hurry. The good news is I have been in your shoes and will share the EXACT process I follow when it comes to rapid language acquisition. I wrote this book for a couple of reasons: 1. To provide people a quick and actionable plan to quickly learn Spanish. 2. To allow those of us who may be traveling to Spanish speaking countries or working in Spanish speaking environments a 48 hour crash course to catch you up to speed. Can You Really Learn a Language in 48 Hours The short answer is YES! I have done this with over a dozen languages and the exact process I use to acquire new languages in rapid fashion is laid out step-by-step...
