The final novel in bestselling author Melody Anne's Billionaire Aviators series finds Ace Armstrong back home after years away in the CIA. Faced with the stipulation in his father's will to find a wife or lose his inheritance, the black sheep of the family takes to the skies like his aviator brothers. Soon Ace encounters temptation in the form of the sexy and confident Dakota Forbes, a female pilot who just so happens to be his new sister-in-law's best friend and should be off-limits. But Dakota is used to getting what she wants--and she makes it clear she wants Ace. Ace's previous line of work is not so easily left behind, and soon someone from his past threatens both him and all he holds dear. As Ace's relationship with Dakota heats up, he'll be forced to choose whether to walk away in order to keep her safe or risk it all on the breathless high of passion.
