

How to Find You in Your Home: Using Your Inner Guides to Design Your Space

Filesize: 2.22 MB

Reviews

*I just began reading this pdf. It is actually written in straightforward words instead of hard to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.If your mind has been filled with fear and doubt and anxiety and remorse and there is no room for joyful memories; it's a new day! We're starting over. right here, in this room with the very things we have to work with, we are going to begin again. What do all these very big issues have to do with your home? Everything! Your home is a reflection of how you see yourself! It is a point of beginning where you do have control and you can determine the outcome. This is where the fun begins; this is the first step in a joyful journey to a thoughtful approach that will help you discover what feels good to you. We are throwing the traditional rules to the curb and using instinct and emotions to replace strict logic and old school rules. Pick up a pencil and pad and let's make some notes. This is about your feelings; try to prevent logic from overtaking your dreams. You will emerge as an accomplished player in the game of life!.
