Tor Books, United States, 2013. Paperback. Book Condition: New. Reprint. 168 x 104 mm. Language: English . Brand New Book. It s the End of the World as We Know It But all is not lost. A hundred or so survivors of the zombie plague have defended their new home-the fortified town of Ashley Oaks, Texas-against ravenous zombies and cruel bandits. They have gathered supplies, established a civil government, and even found love among the ruins. An excellent tactician who has led the town s defenders more than once, Katie has made peace with the loss of her beloved wife. She is remarried and pregnant with her husband s child. Jenni, a zombie killer beyond compare, fled an abusive husband and formed a new, loving family with her stepson, his dog, and her new love. Jenni s still the first to volunteer for any dangerous mission-but now she has a reason to survive. A deadly supply run leads to the discovery of hundreds of survivors trapped in a failing shopping mall, their lives controlled by a power-hungry U.S. Senator and the military men and women who follow her. News that there are civilians living in peace outside the mall is earth-shattering for all of them.The final battle for the fort-and, in a way, for the soul of America-is about to begin in Siege, the conclusion to Rhiannon Frater s award-winning series As the world Dies.
