

The Kalisun Initiative: The Price of Progress

By Nick M Wyckoff

Watermount Projects LLC, United States, 2015. Paperback. Book Condition: New. Jared Claybrooks, Andon Monk (illustrator). 2nd. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. The KaliSun Initiative series is a near-future science fiction story set in Earth's Solar system. The aftermath of a global war between the United States and China, where both sides resorted to extreme tactics, has left the world reeling. The cold war that followed allowed the two sides to catch their breath and prepare for the next war - in space. When the KaliSun Corporation's science experiment near Saturn goes awry, disrupting communications throughout the solar system, the Chinese take the opportunity to go on the offensive once more, targeting the KaliSun Moon-Based Training Center on Earth's moon. The combat that followed was vicious, but yielded no victor. The second book, The Price of Progress, picks up immediately after the end of The KaliSun Initiative, as the consequences of the Corporation's first attempt at interstellar travel become painfully evident. Daily combat rages around the Moon-Based Training Center as the two sides struggle to establish dominance. The Chinese, in an effort to secure the high...

Reviews

This ebook could be well worth a study, and superior to other. It really is basic but unexpected situations inside the 50 % of your ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.

-- Prof. Buford Ziemann

It is fantastic and great. It generally is not going to cost an excessive amount of. You will like the way the blogger create this book.
