I He enemies to reform labour to persuade us, that parliamentary corruption has never been that formidable evil our patriots have represented it. Facts are stubborn things. They will speak; and they will not always speak as our sleek courtiers would wish them. If they will speak, let them speak, Mogna veritas, et prcevelibet. Ministerial artifice, for corrupting parliaments, has been applied in two ways, 1st, To overruling elections; and, 2d, To biasing the votes of members in the House. To show the good people of Britain how their great and weighty concerns are managed, I will give a brief account of some remarkable controverted elections, and facts relating to that subject, which have occurred to me in the course of my reading j and on these I will make a few candid reflections. Vol. n. M The duty of a member of parliament, (says the brave Lucas of Ireland, ) is infinitely the moAt important that can devolve upon a subject. Mr. Locke ranks it among those breaches of trust in the executive magistrate, which amount to a dissolution of government, if he employs the force, treasure, and offices of the society, to corrupt the representatives, or openly to pre-engage the electors, and prescribe what manner of persons shall be chosen. To regulate candidates and electors, and new-model the ways of election, what is it, but...
