Betrayal threatens everything Keara dreams of in this exciting, original, and lively fantasy adventure (Kirkus Reviews), the sequel to Darkbeast. Keara, her friend Goran, and the wily old actor, Taggart, are fleeing for their lives. They have all spared their darkbeasts, the creatures that take on their darker deeds and emotions and lift their spirits. But their actions defy the law, which dictates that all citizens must kill their darkbeasts on their twelfth birthdays. There are rumors of safe havens, groups of people called Darkers who spared their darkbeasts and live outside the law. To find the Darkers, the trio must embark on a dangerous journey and evade the Inquisitors who are searching for them everywhere. In the middle of winter, freezing and exhausted, Keara and her companions are taken to an underground encampment that seems the answer to all their hopes. But are these Darkers really what they appear to be? This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
