This work begins: THE life of St. Aloysius is not an eventful one, if the outward vicissitudes of our earthly pilgrimage are to be taken as the measure of eventfulness. It was, moreover, a short life, and what men might call an incomplete life, even as respected the vocation to follow which he had made the sacrifice of all his worldly prospects. For he saw but the opening of his twenty-third summer, and died before attaining to the priesthood. But if we look to the interior life, the true life of all Christians-if we turn our eyes to that stage upon which the great drama of our existence is enacted-then the life of this youth becomes one of surpassing interest; and such is the light in which every devout Catholic has always regarded it. When acts of perfection, acts done for God, and not mere days and years, are considered as the measure of extension, then also does it expand into a long life; and if the entire fulfilment of the Divine purpose of grace towards the soul be taken into account, then, too, does it come before us as a complete life. Of his death we read: He had always desired to die within the octave of Corpus Christi, or on a Friday, the day of his Saviour's Passion, and he obtained both boons; for he passed from this life just as the octave was closing and Friday beginning, in the night between the 20th and 21st of June. He had completed twenty-three years, three months, and eleven days. No little grace did these two fathers deem it to have been permitted to assist at this blessed...
