**GRANTA 105: LOST AND FOUND****DOWNLOAD**

Granta Publications Ltd, United Kingdom, 2009. Paperback. Book Condition: New. 210 x 144 mm. Language: English . Brand New Book. Our world is changing at a dizzying pace: our physical environment, our communities and our cultures, how we communicate and the speed with which we adapt to new ways of experiencing and living in the world. Caught in the midst of decline and regeneration, what are we losing and what are we gaining? And how do we decide what's worth saving and what should be thrown away? In this issue, we travel to places on the cusp of staggering change, talk to people who have seen and done it all and rescue a few choice items from the recycling bin. From Ireland's Catholic priests - once exported around the world and now under threat even in their own country - to the hitherto obscure music saved from extinction via the vast exchange mart of the Internet, Granta 105 captures moments of both disappearance and rebirth in all their complexity and strangeness.
