

## Six Myths of Our Time: Vintage Books Edition: Little Angels, Little Monsters, Beautiful Beasts, and More

By Marina Warner

Random House USA Inc, United States, 1996. Paperback. Book Condition: New. Vintage Books.. 200 x 130 mm. Language: English . Brand New Book. Is Jurassic Park a work of covert misogynist propaganda? Does romanticizing childhood lead to abusing children? What secret correspondence links Mary Shelley's Frankenstein to video games and Shakespeare's Caliban to Hannibal Lecter? In what ways do our culture's most hallowed legends inform the current debates over single mothers, the men's movement, and animal rights? In these six dazzlingly intelligent and provocative essays, the distinguished English novelist and critic Marina Warner weaves classical mythology, pop culture, and today's headlines into a potent work of cultural criticism that is both unsettling and entertaining. Ranging from Medea to Thelma and Louise and from myths of cannibalism to the politics of rape, Six Myths of Our Time is at once a celebration of the enduring power of fable and a welcome antidote to its more virulent manifestations in our public life.
