Excerpt: .degrees of phase to produce a perfect rotating field. The President: We did not have a report yesterday from the Committee on the World s Fair. I know you are getting somewhat impatient, and perhaps want something to eat; but I trust you will compose Yourselves a little while longer. We have with us an eminent gentleman from Chicago, who will talk to you upon the subject of the World s Columbian Fair. I have the honor to present Professor Elisha Gray, of Chicago. Professor Gray: Gentlemen--I feel somewhat embarrassed, and a little as the minister did when he reached sixteenthly, and the congregation, one after another, kept going out. He was one of those traveling Methodist preachers, who preach here in the morning, there at noon and over yonder at night. Finally, he could not stand it any longer. He said: Brethren, I have been a traveling preacher for twenty-five years; but I never could preach to a traveling congregation. I am afraid that you have the spirit of travel in you; and I would like to have you hear me when you feel as if you could sit down and be still, because I want to impress you with the work we are doing. I am very much obliged to you, Mr. President and gentlemen, for giving me this opportunity. It is not alone my work, it is also yours. I want to say at the outset that there are no perquisites...
