

## Going, Going, Gone!: This Book Disappears!

By Planet Dexter editors

Planet Dexter, 2000. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: This ingenious, educational, and inventive "book-and-thing" package comes with a unique catch: the "thing" is the book. Each page is an activity to be removed and enjoyed: turn a page into a board game? send another page to the White House? float one across the ocean? send off several for free gifts? another page is a set of goofy postcards? even the book's binding turns into a sculpture and its covers are buried as a time capsule? and so on and so on until POOF! This book's disappeared!.
