Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.The Chinese government reaches beyond its borders to stifle critical discussion of its human rights record and repressive policies. China has long used its visa denial and censorship policies to muzzle discussion of the Tiananmen protests and their violent suppression by punishing and marginalizing the former student leaders and encouraging self-censorship among academics and foreign journalists writing about sensitive topics, including the events of 1989. Twenty-seven years after Tiananmen, these heavy-handed tactics are global in reach as China uses its diplomatic relationships and rising economic and trade clout as a means to achieve its aims. Recent cases represent an escalation of China's efforts to blunt scrutiny of its rights record and criticism of government policies. These efforts include pushing neighboring nations to crack down on dissidents who offer a critique of Beijing or to forcibly repatriate Uyghur refugees and Chinese asylum seekers; the disappearances and alleged abductions of five Hong Kong booksellers; clandestine efforts to discredit the Dalai Lama through a Communist Party-supported rival Buddhist sect; harassment of family members of foreign journalists and human rights advocates; and threats...
