**STICKER FUN - MY BODY (PAPERBACK)**[DOWNLOAD PDF](#)

Anness Publishing, United Kingdom, 2015. Paperback. Condition: New. Language: English . Brand New Book. With over 50 reusable stickers, this is a lively first book about the human body. Sticker activities put learning into practice and make it an enjoyable experience for early readers. You need to look for a heart shape, match the sticker labels to the parts of the body and face, and find some medicine for Sally, who has a cold. Youngsters can relate closely to the action pictures of real-life children in familiar, everyday situations. The simple text identifies the different parts of our anatomy, such as the lungs, muscles and bones, and explains how they all work. Reusable stickers provide hours of entertainment. This is a themed word-and-picture book that makes early learning fun. Give your child an excellent start to their learning with this exciting sticker book. Children will absorb the information as they have fun locating stickers, answering simple questions or copying the actions of youngsters just like them shown in the photographs. Readers are challenged to seek out a sticker bubble for Anna to blow, to look for the head of Fred the skeleton, and to find some tasty food. All the stickers are reusable, which means that children can repeat the play-and-learn process time and time again.
