Paperback. Book Condition: New. Paperback. 144 pages. Alberto Caeiro has born in Lisbon, in Abril 16th, 1899, and died at the same city, on 1915. Also, although he was born and died at the Capital, he spent most of his life at the countryside, without formal instruction or education. He was also an orphan and had his income from his land, which he rented. He lived by himself and an old grand-aunt. Fernando Pessoa says it all from his greatest creation (and heteronym). His most philosophical persona is also the worst educated, simpleton and non-urban person of all. Pessoas work creates Alberto Caeiros personality, and not the opposite. Caeiros simple and direct text, his limited life perception, full of sensibility and transcendental expression, gives this character his life and soul. Caeiro is built as an answer to Pessoas view on symbolism poetry, drinking on the same sources and imagery, but on a more concrete bias, without unnecessary descriptions or allegories. He rebuilds rationalism and modern intellectuality, switching them for a more synesthetic and material lifestyle. He brought Epicurian elements by an indirect bias, without glamour or pedantry or name-dropping. He says that we need only to live life to understand it and thats no more than that. This is the basic sensory realism praxis, the opposite of symbolism poetry. This is his whole poetry works. --Diz-se que Alberto Caeiro da Silva nasceu em Lisboa, no ano de 1889, no dia 16 de Abril e morreu na mesma cidade, no ano de 1915.
