The gentleman from Michigan, Mr. Stupak; he is not R ILLMOR here. The gentlelady from California, Mrs. Capps. M. C. Thank you, Mr. Chairman. I appreciate this S APPS subcommittees effort to protect children and animals from the dangers of ingesting antifreeze, a goal, I believe, we all support wholeheartedly and I appreciate the honorable colleague of ours, Gary Ackerman, for being here as our first panelist. I commend him and the bill supporters for trying to find a solution to a tragic problem. I now have three principal concerns with H. R. 2567 as it is currently written. These have been stated in part already, so I will be brief, but I believe first we need to learn more about the possible impact of denatonium benzoate or DB on human health and the environment...
